MYOB RetailReady v3

All you need to turn your PC into a powerful point of sale solution.

MYOB RetailReady includes:

- MYOB RetailBasics software
- Electronic cash drawer
- USB docket printer
- USB barcode scanner

Get started with a professional look

Whether you're running a retail business or just about to open your doors, the ready-combined software and hardware in MYOB RetailReady can make your entire operation run smarter and more efficiently. MYOB RetailReady is simply a smarter way to run your business.

Run your store from one PC

With just a few keystrokes MYOB RetailBasics enables you to:

Analyse business data
- See what is selling, when and in what volume
- Undertake customer and staff tracking
- Check discounts and refunds given
- View GST collected

Process sales quickly
- Multiple payment types - cash, credit card and lay-bys
- Discounts, lay-bys, returns and credit card surcharges
- Count your takings - fast
- Export your sales and receipt summaries to your MYOB business software
- Print your business details and return conditions on customer dockets

Create a stock list
- Create, update and print a list of all your stock items
- Create and print price lists
- Scan barcodes or enter stock numbers using a keyboard
- Insert pictures/photos of stock items
- Print stock barcode labels

Manage customers
- Add, edit, delete and search for customers
- Print customer lists
- Link transactions to customers
- View customer transactions

MYOB RetailReady comes with quality point of sale hardware:

Electronic cash drawer

Designed to hold Australian currency, the cash drawer features a tamper-proof casing, removable cash tray for overnight security, three-position lock and cheque slot.

Thermal docket printer

A high-resolution thermal print head quietly prints dockets and even detailed graphics. The unique clamshell design allows for easy drop-in paper replacement.

Barcode scanner

Designed to fit comfortably in your hand, the scanner is packed with features including CCD long-range technology, easy-to-connect USB interface, high coding capability and low power consumption.

Hardware is covered by a 12-month manufacturer's warranty; cable and power supplies are covered by a three-month manufacturer's warranty.

Integrates with MYOB business software

When it comes to 'doing the books', you can easily transfer data from MYOB RetailBasics to most MYOB business software – making BAS statements easy!

Retail Enhancement & Support – seven days a week

When you register MYOB RetailBasics, you receive 30 days Retail Enhancement & Support. By there after subscribing to a 12 month Retail Enhancement & Support Plan, you'll continue to receive assistance seven-days-a-week (via phone, fax or email), special offers and discounts exclusive to MYOB support customers, product updates and regular MYOB Retailer newsletters.

Recommended system requirements

Installation

500 MHz Pentium® III processor (or faster) with 128MB RAM or more

Windows® Vista Ultimate, Windows Vista Business, Windows XP Professional (Service Pack 1 and Service Pack 2) or Windows 2000

1GB or more of free disk space

16-bit colour, 1024x768 screen resolution

Backup solution such as CD writer, a DVD writer or a USB storage device

A local or network printer to print dockets, reports, etc. If you will be printing bar code labels, a high-quality laser printer is recommended for best results

Windows-compatible mouse and keyboard

MYOB RetailBasics can be connected to most POS hardware, including:

- Barcode scanners
- Cash drawers
- Docket printers
- Scales*
- Customer pole displays

*Selected Magellan, Toledo and Wedderburn scales only.
Note: A communication port may be required for each additional device. Check compatibility with your supplier.

Making sure it's an authentic MYOB product

To protect against potential privacy, and to provide you with reassurance that you have purchased an authentic MYOB product, you will be required to activate MYOB RetailBasics.

You can access MYOB RetailBasics for up to 45 days without activating the program. However, after 45 days any information you have entered will only be available in read-only format.

To activate your MYOB RetailBasics software, call **1300 664 585.**
